On behalf of everyone at the Hong Kong Football Club, we are delighted to welcome all players, coaches, parents, and supporters to the 2025 HKFC Youth International Cup.

This event marks an exciting new chapter for our junior youth rugby program as we evolve our traditional festival into an international tournament, welcoming extra teams from Singapore and Malaysia. This initiative reflects our commitment to providing our young athletes with greater opportunities to connect, grow, and compete through the sport we all love.

The tournament format for the U8-U12 age groups has been specially designed to bring more excitement and create an environment where the players can demonstrate their best skills while enjoying the camaraderie and fun that rugby embodies. It's a chance for young athletes to test themselves in a more competitive setting, fostering teamwork, resilience, and sportsmanship.

This year's event features over 250 teams, including HKMRFU member clubs and international visitors. Such an impressive gathering would not be possible without the dedication and support of many people. Special thanks to the tournament organising committee (led by Sebastien Gaudre) who has worked tirelessly to organize this fantastic event. We also extend our gratitude to the referees, the HKMRFU, the HKFC Rugby Section and its volunteers, and the staff of the Hong Kong Football Club for making today a reality.

A heartfelt thank you also goes to our sponsors: The Parklane HK, the YIC hotel sponsor and Bonaqua for keeping all players hydrated. We also wanted to mention Natixis Corporate & Investment Banking, AIA Corporate Solutions, Mourant, and Latham & Watkins who sponsor the HKFC Rugby Section. Your support is invaluable and allows us to continue growing the sport and hosting events like this.

Finally, to the players, I wish you the very best of luck as you take to the field today. Play with passion, respect, and pride. To the parents and supporters, enjoy watching your young athletes, and please remember:

**THESE ARE KIDS | THIS IS A GAME
THE COACHES ARE VOLUNTEERS
THE REFEREES ARE VOLUNTEERS AND HUMAN
PLEASE SHOW YOUR RESPECT | THIS IS NOT THE WORLD CUP**

Celebrate success – especially that of others – and let's make today an unforgettable experience for everyone involved.

Have a wonderful day.

Paul Skurr, HKFC Rugby Section Chairman
Denis Brock, HKFC Youth Rugby Chairman

YOUTH RUGBY CODE OF CONDUCT

CODE FOR COACHES

- **You have the responsibility for your team and supporters – EXERCISE IT!**
- **Remember that young players play for fun and enjoyment.**
- **Don't overload them with technical information and tactics.**
- **Be reasonable in your demands on young players' time, energy, and enthusiasm. Remember that they have other interests and demands on their time.**
- **Ensure that all players get a game. The 'just average' players need and deserve equal time.**
- **Players develop at different times and in different ways – make allowances for their physical, emotional and mental maturity and development.**
- **Winning isn't everything – teach your players to enjoy taking part and performing to the best of their ability. Encourage each player to reach his or her potential.**
- **Never abuse, yell, criticise or ridicule children for making mistakes or losing a game.**
- **Remember that young people need a coach that they can respect. Be generous with praise when it is deserved and set a good example.**
- **Teach young players that the laws of the game are mutual agreements that no one should evade or break.**
- **Create opportunities to teach sportsmanship, just as you would in teaching the basic skills.**
- **INSIST ON FAIR PLAY. Do not tolerate foul play, fighting, or foul language.**
- **Be prepared to take off an offending player.**
- **Develop a team respect for the ability of opponents, as well as for the judgement of**

CODE FOR PARENTS

- Do not force an unwilling child to participate – Young people are involved for their enjoyment, not yours.
- Encourage your child to understand and play within the rules.
- Teach your child that taking part and trying their best is more important than winning.
- Focus your child on practising skills, sportsmanship and being part of a team.
- Winning isn't everything and not everyone can score the winning try.
- Support and encourage your child – never criticise them for making mistakes. Console them for losing, but encourage them to try harder next time.
- Turn defeat into victory by helping your child work towards skill improvement and good sportsmanship.
- Do not publicly question the referee's judgement and never his/her honesty. There is no place for 'touchline rage' in Youth Rugby.
- Support all efforts to remove verbal and physical abuse from Youth Rugby.
- Young people learn best by example. Applaud good play by your team and by members of the opposing team.
- Recognise the value and importance of volunteer coaches, referees and administrators. They give of their time and resources to provide recreational activities for your child.

CODE FOR PLAYERS

- Play to enjoy rugby, not just to please you parents or coach.
- Always try your best to improve your skills and play well.
- Play within the rules and laws of the game.
- Never argue with referees or coaches – their decision is final, even if you think that they are wrong. Let your coach or your captain ask match officials any questions.
- Control your temper – do not 'mouth off'.
- Treat everyone as you yourself would like to be treated. Don't bully or take unfair advantage of any player.
- Rugby is a team game – do your best for yourself and your team. Your team's performance will benefit and so will your own.
- If you lose, accept it with good grace and try harder next time.
- Be a good sport. Applaud all good play, whether by your team or your opponents' team.
- Cooperate with your coach, teammates, referee and opponents, for without them you don't have a game.
